**JOINT CASE MANAGEMENT STATEMENT
AND [PROPOSED] ORDER TO CONTINUE
CASE MANAGEMENT CONFERENCE**

Pursuant to the Court's order dated May 25, 2021, Dkt. No. 101, the parties submit this joint case management statement in this Freedom of Information Act case.

As previously reported, the Ninth Circuit remanded this case requiring Defendants to undertake a segregability analysis of the remaining records at issue. Defendants are close to completing their analysis but require additional time to finish the interagency consultation process. Defendants anticipate making a release of any non-exempt materials within the next 30 days. To allow additional time for Defendants to complete the segregability analysis, and for the parties to discuss the release, the parties stipulate and jointly request that the case management conference set for July 30, 2021 be continued until September 17, 2021. The parties will provide the Court with a joint case management statement by September 10, 2021. The parties respectfully submit that proceeding this way will be the most efficient use of the Court's and the parties' resources.

IT IS SO STIPULATED.
